When you give out a tract ...

Don't forget that God is glorified by every tract you give out. It remains a fact, whether the offer is received or rejected, that God in His sovereign grace has extended full and eternal salvation by means of that tract to the receiver. He/she can never say he/she was not told of God's loving offer!

“The Lord is ... not willing that any should perish but that all should come to repentance.” 2 Peter 3:9
