

***What Do They Say?***

## What do some people say?

- There is no God.
- God is mysterious and cannot be known by anyone.
- God exists but does not care about us or anything we do.
- God and Mother Nature are one and the same.
- There are many gods.
- They themselves are gods.

Sometimes their opinions contradict one another. Sometimes they are confusing.

## What does God say?

To find out, we must look in the Bible—the only place God tells us about Himself. There we discover that:

- *God knows all things*, including all our thoughts, ways and words (Psalm 139:1-4).

- *God can do all things*, and nothing is too hard for Him (Genesis 18:14).
- *God is everywhere*, and no one can possibly hide from Him (Jeremiah 23:24).
- *God is eternal*, having no beginning and no end (Psalm 90:2; Hebrews 7:3).
- *God is unchanging*, both in His being and in His Word (Malachi 3:6; James 1:17-18).
- *God is holy* and cannot tolerate sin (Leviticus 20:26; 1 Peter 1:15-16).
- *God is love* in His very nature (1 John 4:8) and in His desire for us: *“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life”* (John 3:16).

## What do you say?

Are you going to believe men or God? *“He who believes in the Son has everlasting life; and he who does not believe the Son shall not see life, but the wrath of God abides on him”* (John 3:36).

You must choose. Will it be the contradictory opinions of men, or the sure Word of God? Make no mistake—your choice will affect you for eternity!
